BRIEF ABSTRACT OF LETTER.

Submits for orders a draft notfn containing two amendments to foreign liquor rules in the matter of lowering the strength of foreign spirits ordinarily allowable to licensees and of withdrawing the privilege of foreign liquor shopkeepers selling special liquors manufactured at the Central Distillery.

NOTES AND ORDERS.

V + Y

1. Two rules are proposed to be altered, viz, rules X I & X II of the foreign liquor rules (Rules 91 & 92 of the Mysore Excise Manual). The first three paras of the paper under disposal deal with the former and paras 4 & 5 with

the taller.

2. The reasons for not reducing the strength in general ~~have been~~ given in detail in S.R 68-09-(1604). If weaker liquors are allowed to be ordinarily sold, these will compete very favorably with Country Spirits, ~~and~~ resulting in loss of revenue to the State. The Excise Commr now considers that, owing to the rise in the price of foreign liquors, non importation of brands of 15° UP., and frequent applications ~~from~~ licensees for inclusion in their schedules brands of weaker liquor, the alteration of the rule in the manner suggested by him is necessary.

special liquors may be withdrawn. In this connection it is ~~not~~ noted that a wholesale withdrawal from all the licensed may cause loss to & inconvenience to the drinking population. It is not clear ~~if the~~ what effect this proposal will have if the sale of Special liquors is withdrawn from the Refreshment Room and Dining Car licenses as well. The Excise Comm. has not given his opinion on this point

of Selling Bangalore beer. In another file, I had suggested that this privilege also should be withdrawn. It seems to me that there is no difference in principle between Special liquors + Country beer; and therefore, when it is proposed to withdraw the concession in the case of Special liquors, there does not seem to be any strong reason why the concession of Selling country beer should be retained.

K. R. Srinivasiengar, Esq., M.A.,
Offg : *Secretary to the Government of*
His Highness the Maharaja of Mysore,
General and Revenue Departments.

Sir,

I have the honor to invite your kind attention to Act.I of 1906 passed by the Governor General of India in Council amending the Indian Tariff Act of 1894 and raising the duty on imported foreign - - liquors. This increases the price of foreign liquors in the market. The Madras Government amended their Foreign Liquor Rules, in consequence, by lowering the minimum strength of Foreign liquors allowable under the different Foreign Liquor Licenses from 15 U.P. to 25 U.P. and 35 U.P for Gin. (vide clause (b) (3) Foreign liquors, published in the intro--duction of Administration Report for year 1909-1910).

2. The several Licensees of the State, where the minimum strength allowed, is only 15 U.P., have from time to time been applying for - - - inclusion in the Schedules attached to their licenses, brands weaker than 15 U.P. on the score that Foreign liquor of that strength is not avail --able in the market. It is learnt also from the copies of the latest lists (enclosed for reference and obliging return) got from the Custom Offices, of brands imported into the ports of Madras and Bombay that - - there are very few brands of and above the strengths of 15 U.P. imported into India.

3. I therefore request you to obtain orders of Government to lowe the minimum strengths allowable under our licenses from 15 to 25 U.P

(2

4. The licensees of Foreign liquor shops have been enjoying the privilege of selling special liquors manufactured in the Distillery without any extra fee as per Rule XII of the Foreign Liquor Rules, which practice has been in existence long prior to the leasing out of special liquor shops on a fixed fee of Rs. 60/- as per Government Order No. Fl. 15/S.R.49-07-9 dated 1st July 1908.

sold in another connection

5. With the growth of the Sales of these liquors and the opening of separate shops for the very purpose, I consider that there is no - - longer any necessity nor is it desirable to continue this concession - to the Foreign Liquor shops which may be prejudicial to the interests of the contractors of Special liquor shops, more so because they will have to be sold by public auction as reported to Government separately. In these circumstances, I beg that you will obtain the sanction of - - Government to withdraw this privilege with effect from the beginning of the next official year.

approved in FR 235-12 sold separately.

6. A draft Notification embodying the necessary changes is submit -ted for approval and publishing in the Gazette.

Enclosure I

7. I solicit early orders of Government on the subject.

Sir,
